

Silverback PO+

New to our range of solutions for the warehouse logistics industry is the unique Silverback PO+ labelling system.

Problems with rack labelling in your warehouse? Forget them! Problems with the old label showing through when a new label has been applied? Forget them! Problems with labels lifting or peeling? Forget them! Silverback PO+ is the answer to all the difficulties that can arise with rack labelling and re-labelling, as well as when labels won't stick at low temperatures. Printed onto a blended polyolefin material – a unique mix of Polyethylene (PE) and Polypropylene (PP) – Silverback PO+ labels are specially coated to ensure maximum quality laser print verification.

- Proprietary silver coated reverse is 100% opaque, which allows re-labelling over existing – a major time and cost saver
- No show through – consistent scan guaranteed
- Easy backing removal – allows for quicker installation
- More durable to minor impacts
- Thicker 100mic material allows for easier installation
- Can be applied at temperatures down to -30°C and remains effective down to -50°C
- Lifetime scanning guarantee

Labelling and Safety Solutions

About us

At ASG Services we have gained an excellent reputation for providing the most appropriate labelling and safety products to meet the specific requirements of our customers.

By providing a range of products in each of our specialist fields we are able to provide the optimum solution for every client from one source.

From our beginning over fifteen years ago we have been constantly developing our product and services.

We have a considerable depth of knowledge in all labelling and industrial floor marking and painting systems specific to the warehousing and distribution industries.

Also in having developed line marking to provide personnel segregation systems, our safety solutions such as internal security mesh, safety signage, barrier & column protection compliment them perfectly.

Our unique product and service offering is very attractive to companies looking to satisfy all their needs from a single source.
